

Supply List – *3-D Loco Log Cabins* Workshop by Wendy Butler Berns

- Fabric for creating your strip pieced liberating little log blocks. You do not need large amounts (fat quarter sizes, large scraps), but you will want a variety. Remember the value rule, lights, mediums, darks in fun colors you will enjoy working with, maybe about 12-15 different fabrics-whatever you have room for!!
- Machine in good working order and general sewing supplies
- Sewing machine feet: zigzag foot, walking foot, darning foot, 1/4" foot
- Rotary cutter, ruler, and mat
- Fabric scissors
- Monofilament thread
- Cotton thread for piecing
- Bobbins with cotton thread and a bobbin with monofilament thread
- Schmetz Top Stitch sewing machine needles size 14 (90)
- Iron and ironing pad-one iron for every 3 students

For Embellishing:

- A variety of different colors of decorative threads, cotton, or rayon or metallic threads to contrast and compliment your fabric choices
- Small selection of yarns, heavy threads for couching and embellishing

For Layering your project:

- Black felt –2 to 3 12" squares, or 1/4 yard -- enough to layer your "Little Blocks" (with the finishing technique we will be using, the black felt will help contrast the blocks nicely against their background and give the 3-D look)
- 1/2 to 3/4 yard of background fabric that will show off your "Little Blocks"
- 1/2 to 3/4 yard of backing fabric
- 1/2 to 3/4 yard of warm and natural batting to layer your whole cloth background

For binding:

- about 1 –2 yards of several types of yarn to couch your finished project

Optional:

- extra embellishments such as beads, charms
- flannel for a design wall
